

March 2021

Dear Parents/Carers,

The school has been given the opportunity to take part in a project that will run jointly between schools and The Metropolitan Police.

Operation Encompass is the reporting of police attended domestic abuse incidents to schools, prior to the start of the next school day, where there are children in the home.

Operation Encompass will ensure that a key adult in our school is trained to allow them to liaise with the police and to use the information that has been shared in confidence, while ensuring that the school is able to make provision for possible difficulties experienced by children, or their families, who have experienced a domestic abuse incident.

We are keen to offer the best support possible to all our pupils and we believe this will be extremely beneficial for all those involved.

If you have any concerns or questions, then please contact us via the school information email address: info@salisburymanorprimary.org.uk. Further information about this project can be found on our school's website (or the national website: www.operationencompass.org).

Yours sincerely,
